

# 2019 Topeka Impact / KC Power Pre-National Tournament

## June 8<sup>th</sup> & 9<sup>th</sup> (Lawrence, Kansas)

We are pleased to welcome you and your team to the 11<sup>th</sup> Annual Topeka Impact / KC Power Pre-National Invitational. This event has become one of the premier events in the Midwest for teams preparing for Nationals. Teams will be playing as many as matches (7) in this tournament as are typically played in most Junior National 3-Day Qualifiers. We continue to look for ways to improve this tournament to bring in the area's elite teams to participate so we hope you enjoy your experience and we thank you for participating.

As in past years, we are offering an afternoon wave for 17's teams that have players taking the ACT test; this pool [starts at 1:30pm](#) instead of [8:30am](#). We have limited spots available for 16's teams wanting to participate in the ACT pools as first preference is given to the Junior class / 17's teams. Your players can register to take the ACT at Lawrence Free State High School which is conveniently located minutes away from the Rock Chalk Pavillion.

Please complete the information on this form and mail it with the entry fee of \$450 per team to Topeka Impact LLC [PO Box 4716, Topeka, KS 66604](#) by [May 15, 2018](#). Entries received [after May 15th](#) will need to include a \$25 late fee per team (\$475). Please make checks payable to Topeka Impact LLC.
