

2017 Topeka Impact / KC Power Pre-National Tournament

We are pleased to welcome you and your team to the Topeka Impact / KC Power Pre-National Invitational. This event has become one of the premier events for this region and throughout the Midwest for teams preparing for Nationals. Teams will be playing as many as matches (7) in this tournament, as are typically played in most Junior National 3-Day Qualifiers. We hope that you will enjoy your experience and will hope to see you again next year, as we continue to look for ways to improve this tournament and bring in elite competition.

This year we have more out of region teams, which will offer everyone a great opportunity to play some other teams outside your own region. And because of this format, everyone should have the chance to play a high number of matches against teams at your level play and against teams in varying age divisions.

We have enclosed the schedule for your team's division of the Topeka Impact / KC Power Pre-National. Every effort has been made to be sure that this schedule is accurate and information in this packet should be followed for all event protocol and procedures.

Please remember that in order to keep costs as low as we do for this event, **we do not provide R 1 officials**. We would ask that your **Head or Assistant** coach's make sure that they will handle this responsibility or that your players with their R1 certifications be tasked with this assignment. We will have a trainer on-site at the Topeka Expo Center from 7am – 1pm on both days.
