

2019 Topeka Impact / KC Power Pre-National Tournament

We are pleased to welcome you and your team to the Topeka Impact / KC Power Pre-National Invitational. This event has become one of the premier events for this region and throughout the Midwest for teams preparing for Nationals. Teams will be playing as many as matches (7) in this tournament, as are typically played in most Junior National 3-Day Qualifiers. We hope that you will enjoy your experience and will hope to see you again next year, as we continue to look for ways to improve this tournament and bring in elite competition.

This year we have more out of region teams, which will offer everyone a great opportunity to play other teams outside of your primary Region. And because of this format, everyone should have the chance to play a high number of matches against teams at your level play and against teams in varying age divisions.

We have enclosed the schedule for your team's division of the Topeka Impact / KC Power Pre-National. Every effort has been made to ensure this schedule is accurate and information in this packet should be followed for all event protocol and procedures.

This year we are also going to be providing R1 officials for most of our matches. We have not done this over the past 10 years in order to keep costs as low as we do for this event while maximizing the number of matches your team will play. In the event we are unable to staff an R1, we would kindly ask that your **Head or Assistant** coach's make sure to handle this responsibility. We will have a trainer on-site at the Main Site (Rock Chalk Sports Pavilion in Lawrence starting at 7am on Both days if your players need medical / training staff attention.
